**PremierOne Credit Union Opens New Branch in Sunnyvale**

*San Jose, Calif.* – PremierOne Credit Union, with branches in San Jose, California, opened the doors today of their new Arques branch in Sunnyvale, California. Located at the edge of Sunnyvale in the new The Shops @ Lawrence shopping center on Lawrence Expressway, the branch replaces the current Santa Clara location.

“We are thrilled to provide members a new branch experience,” Andrea Brewer, PremierOne Credit Union President and CEO said. “The Arques branch carries out our mission to deliver a better financial life to members through interactive technology, while maintaining the personalized service for which we are known.”

The Arques branch is the first new location opened by PremierOne, created by the merger of two long-standing credit unions. According to Brewer, the branch takes a modern approach to financial services. Teller Pods allow for a more interactive member experience, cash recyclers help speed up efficiency, and a tech bar features HP tablets for account access or browsing through products and services. In addition, marketing in the branch is more “green” with multiple digital media screens and electronic brochures.

“We are so excited to help our members through the new branch’s features and services,” Arques Branch Manager Rashel Yadegari said. “We hope members come out and experience this branch for themselves.”

Branch hours have increased from the current Santa Clara location, including extended hours in the evening and Saturday hours. For specific hours and a map to the branch, visit the Credit Union’s Web site. A ribbon cutting ceremony is scheduled for 10 am on Thursday, January 15th.
