Summer of Savings

This summer is about SAVINGS and GIVING BACK!

We love to show kids it's fun to learn about savings and the importance of giving back. This summer you can open a Youth Account, make a donation for a backpack and Enter a Raffle to win fun prizes all at the same time!

We've teamed up with the CORAL Program of Santa Clara County, for a backpack drive. The CORAL Program is a K-8 after-school program that focuses on improving academic achievement through literacy and homework support. With their program, they help over 2,400 students in 22 school sites in our community.

Through this backpack drive we want to collect donations to provide a child in need with the necessary tools to be successful this back to school season.
