Toy Drive and Holiday Auction Results

This past holiday season PremiereOne Credit Union increased its effort to give back to the community.

During November and December, we raised money for the San Jose Police Activities League and San Jose Firefighters Burn Foundation with the Holiday Auction! It was another huge success thanks to our members.

During December, we collected over 100 toys for children in need for the Los Bomberos of Northern California's Toy Drive with help from our members and staff. We thank each and every one of you for your support.
