PremierOne Credit Union recently awarded scholarships to two university-bound members.

San Jose, CA - Ian Sills of Hollister, CA, and Niki Kazemi of San Jose, CA, accepted their awards during a scholarship awards ceremony held at the credit union's corporate headquarters in San Jose on August 15, 2019. Sills—who will attend Stanford University in fall 2019—received the Robert E. DeBarr Memorial Scholarship based on his leadership skills. Kazemi was awarded the Richard Busse Memorial Scholarship based on her community involvement and will attend the University of California at Irvine in fall 2019.

For the past three consecutive years, PremierOne Credit Union has awarded scholarships in support of student members' future educational endeavors. President and CEO, Andrea Brewer, stated: "We support our community through this sponsorship, and give back to our young members who are the key to our future."

The PremierOne Scholarship Program offers two scholarships to graduating high school seniors or undergraduate students, to recognize outstanding leadership skills and excellence in community service. The program was created to honor the late Robert E. DeBarr, a Board of Directors volunteer, and the late Richard Busse, who was part of the Supervisory Committee and served our community for over 40 years.

"PremierOne Credit Union congratulates our two scholarship recipients and wishes them great success with their academic career," Brewer said.
