PremierOne Credit Union awards scholarships to two college-bound members.

San Jose, CA – PremierOne Credit Union presented two college-bound students with Scholarships during a virtual online ceremony on Wednesday, August 19th. For the past four years, PremierOne Credit Union has awarded scholarships in support of student members' future educational endeavors.

Due to the current COVID-19 pandemic, the credit union had to forego the original plans for an in-person ceremony. However, they still found a way to honor and celebrate the 2020 Scholarship recipients online.

Johnson Tran of San Jose was awarded the Richard Busse Memorial Scholarship based on his community involvement. Johnson is a graduate of Independence High School in San Jose. He plans to major in Communication & Media at either UC Berkley or USC (University of Southern California) this fall semester.

Liana William of Santa Clara was awarded the Robert DeBarr Scholarship based on her Outstanding Leadership Skills. Liana graduated from Santa Clara High School in June 2020 and will attend Whittier College or California Polytechnic Pomona, where she will major in Biochemistry/Chemistry.

President and CEO, Andrea Brewer, stated: "Helping our young members achieve success through their educational goals is a priority for us."

The PremierOne Scholarship Program offers two scholarships to graduating high school seniors or undergraduate students to recognize outstanding leadership skills and excellence in community service. The program was created to honor the late Robert E. DeBarr, a Board of Directors volunteer, and the late Richard Busse, who was part of the Supervisory Committee and served our community for over 40 years.

"PremierOne Credit Union congratulates our two scholarship recipients and wishes them great success with their academic career," Brewer said.
